

Snowplow Sam (Ages 3-6)

The Snowplow Sam levels are designed to help the preschool age skater develop preliminary coordination and strength necessary to maneuver on the ice. Snowplow Sam is a big fuzzy bear who loves to skate. Time with Snowplow Sam will allow preschool children to become comfortable on the ice.

Basic Skills 1-8 (Ages 7 +)

The "Basic Skills" are the fundamentals of the sport. These eight levels of the program introduce the fundamental moves: forward skating, backwards skating, stops, edges, crossovers, three turns and Mohawks. Upon completions of basic 1-8 levels, skaters will have the basic knowledge of the sport, enabling them to advance to the more specialized areas of skating.

Hockey Skills/ Power

Classes will be split into two groups with "A" being for younger players to learn skills and "AA" for advanced players who will benefit from more challenging drills. ***"AA" will be by instructor recommendation.***
